Virtual Family Weekend

OCTOBER 9-11, 2020

PARENT NOTES:

Prior to Thursday, October 8, connect with your student's advisor to schedule a time during Family Weekend to discuss their progress or any concerns. Advisors will be available at a variety of times on Saturday and Sunday for either a video chat or phone call. Email correspondence is also an option.

No in-person faculty/parent conferences will take place during Family Weekend.

Additionally, please return your "Huskygram" to your student's advisor by Thursday, October 8, so they receive it in time for the weekend. Kindly cc Michael Aldridge: aldridgem@northwoodschool.org.
